Dear Daddy:

Glad to hear from you. I wasn't had able to come to N.O. Labor Day. Here's hoping, on Sept. 5, Fri. morning, I want you to send me a telegram telling me to come home, as Mother is sick. If I went to N.O. to meet you they would know she isn't sick, see? So I hope you do go to N.O., as you can have a nice time there. But don't plan on seeing me as I don't know where we will be mouseburying then. I'd suggest you go somewhere near home. When is Aunt Anna coming back to N.O.? Let me know her address in N.O. anyway. So can't me out of the N.O. trip, or I'll see you this 5th or 6th anyway. Skeeters are pretty bad but we have a mosquito bar. It's very hot here.

Don't mention the N.O. trip again on a postcard. Hope Mother don't worry too much. Write soon! Don't forget to send the telegram Fri. morning, Sept. 5, early in the day.

Love,

Harold
